

CONSTRUCTION OF 3-PHASE INDUCTION MOTOR

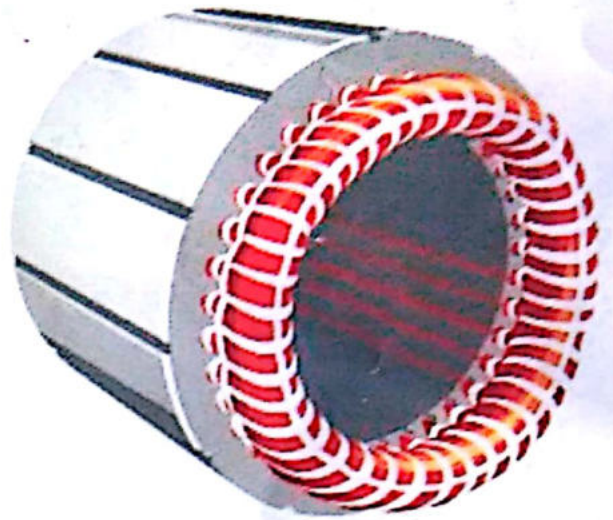

PARTS OF 3-PHASE INDUCTION MOTOR

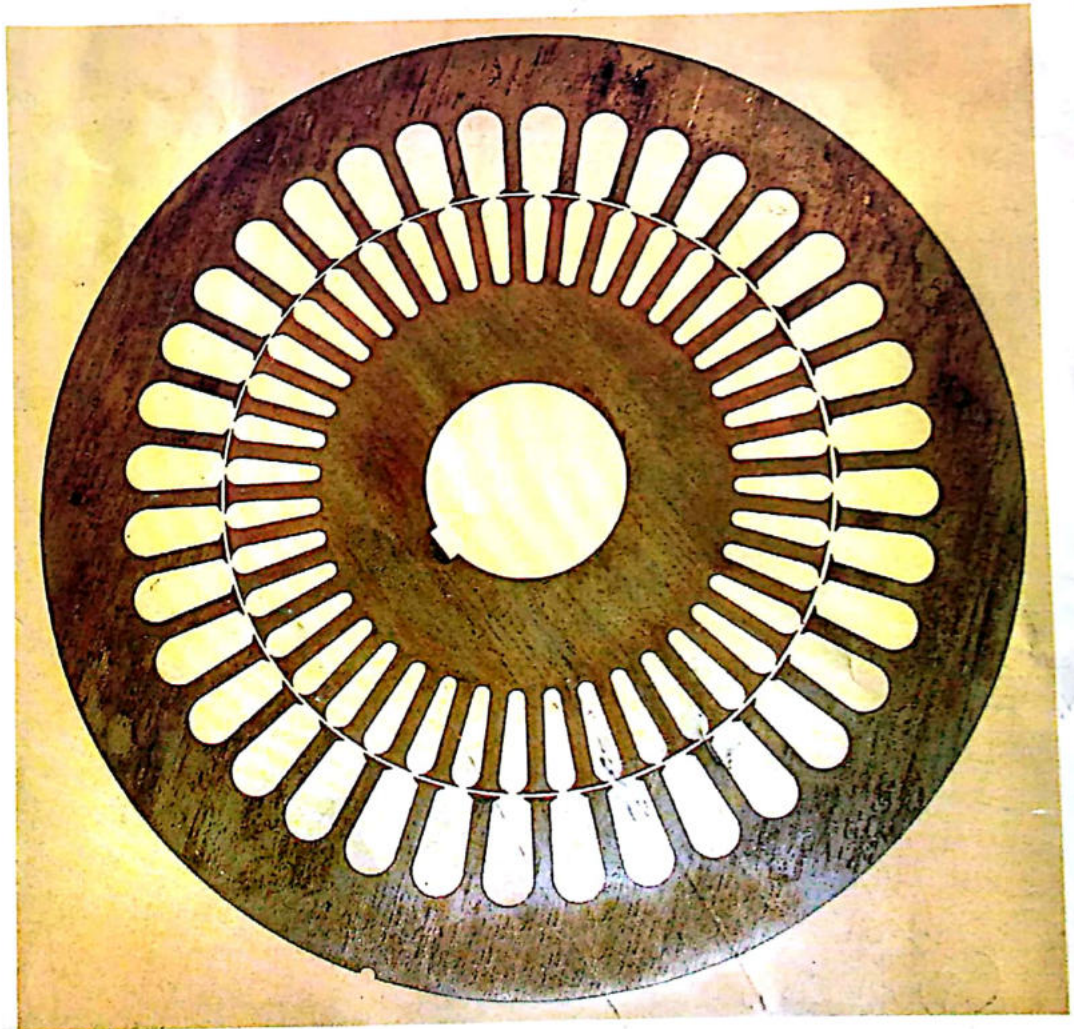

CUT VIEW OF 3-PHASE INDUCTION MOTOR

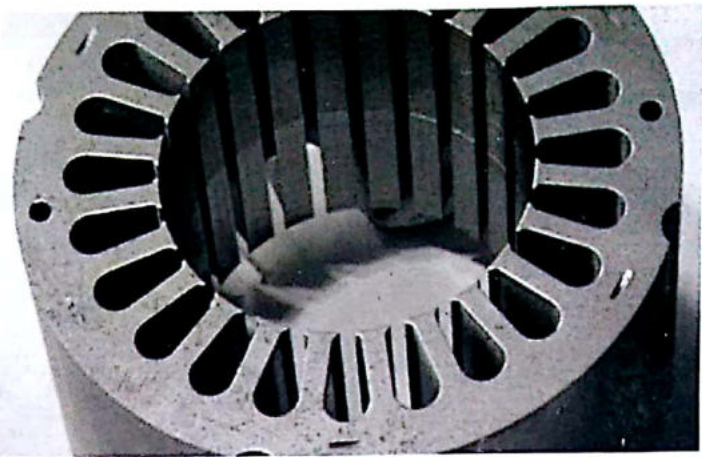

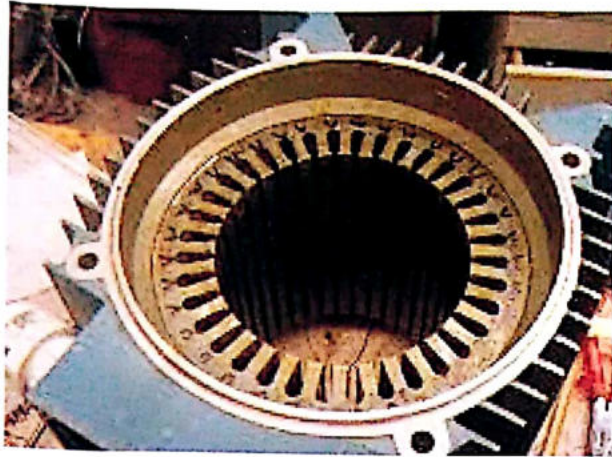

Stator Windings Partially Completed

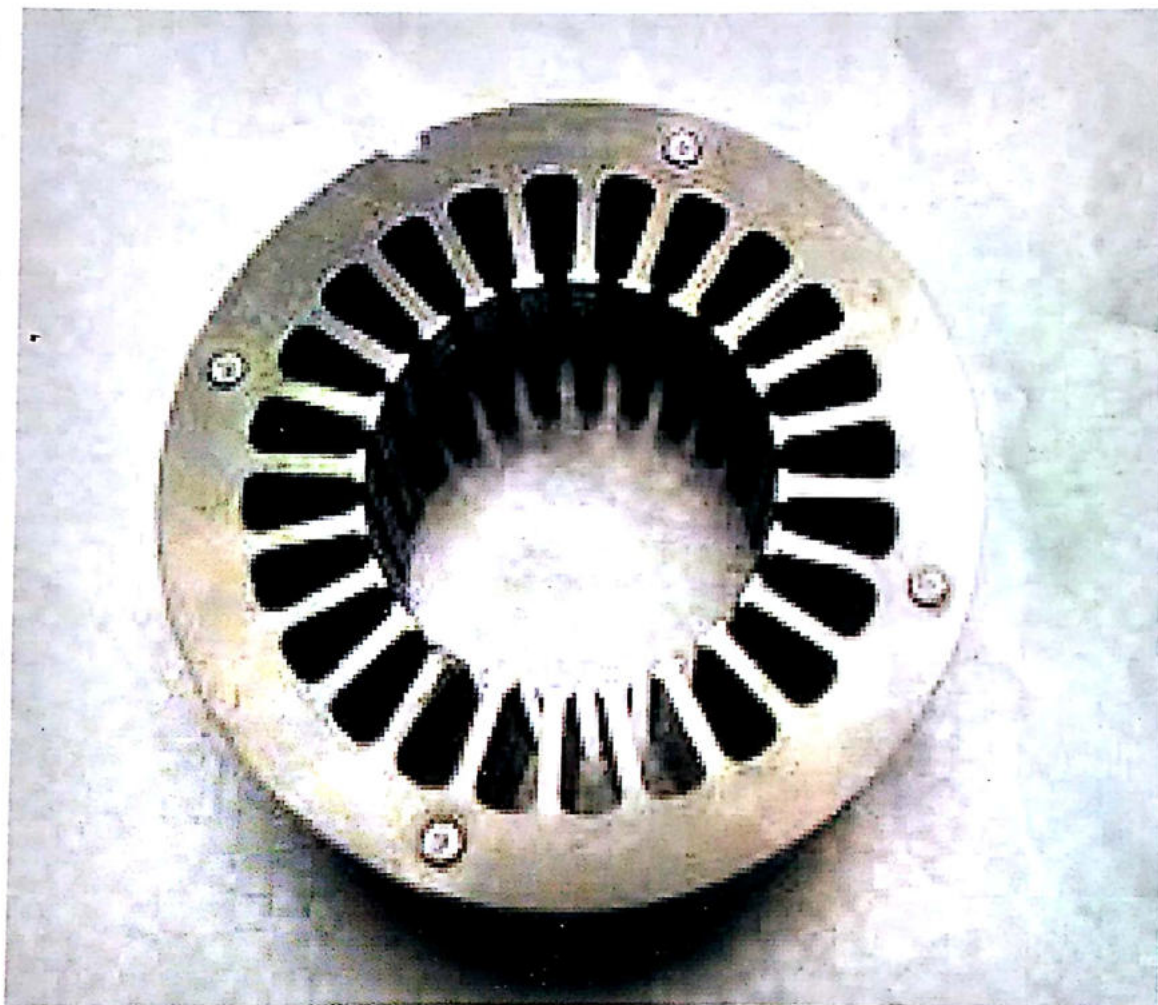

Stator Windings Completed

STATOR AND ROTOR STAMPING OF 3-PHASE INDUCTION MOTOR

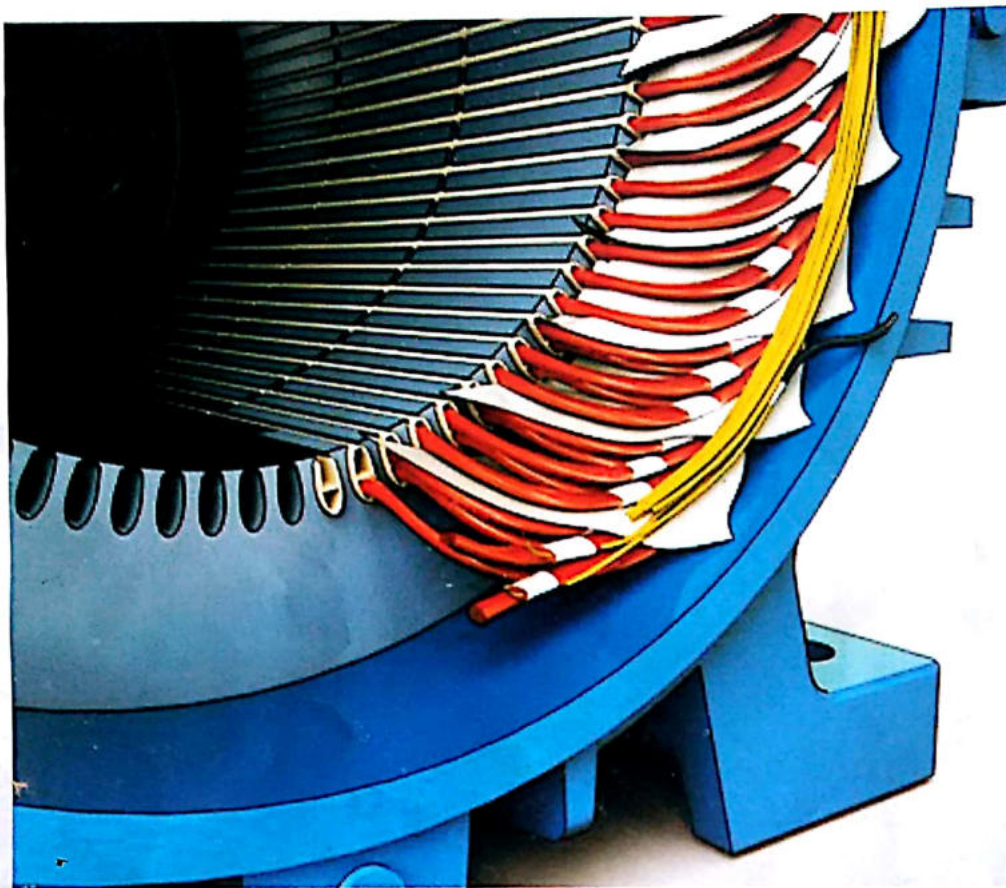

Open slots

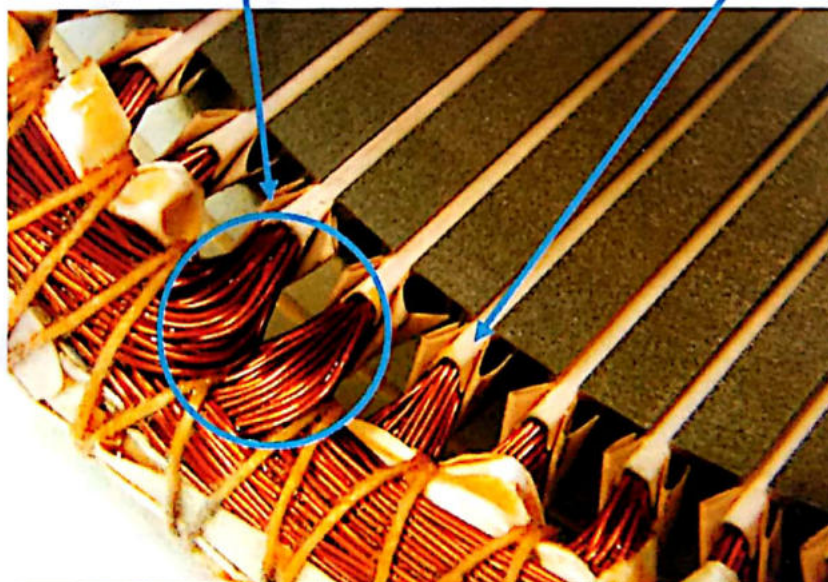

Semi enclosed slots

SHAPE OF STATOR SLOTS

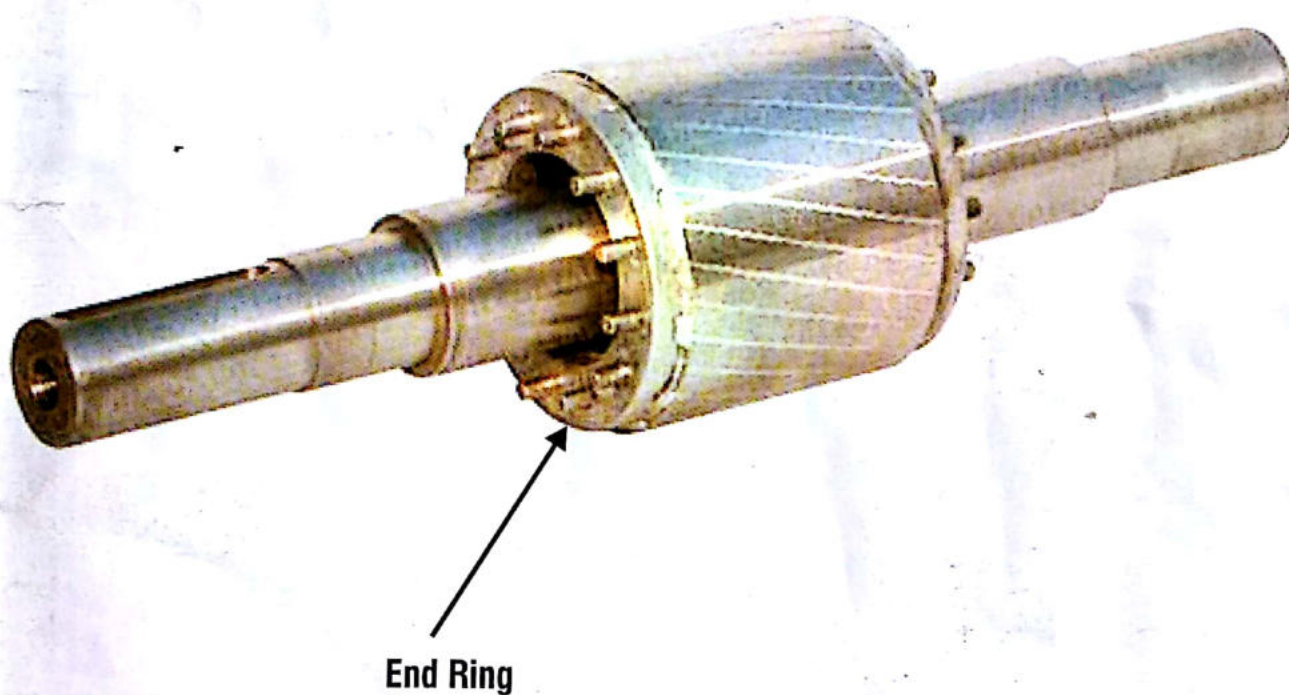

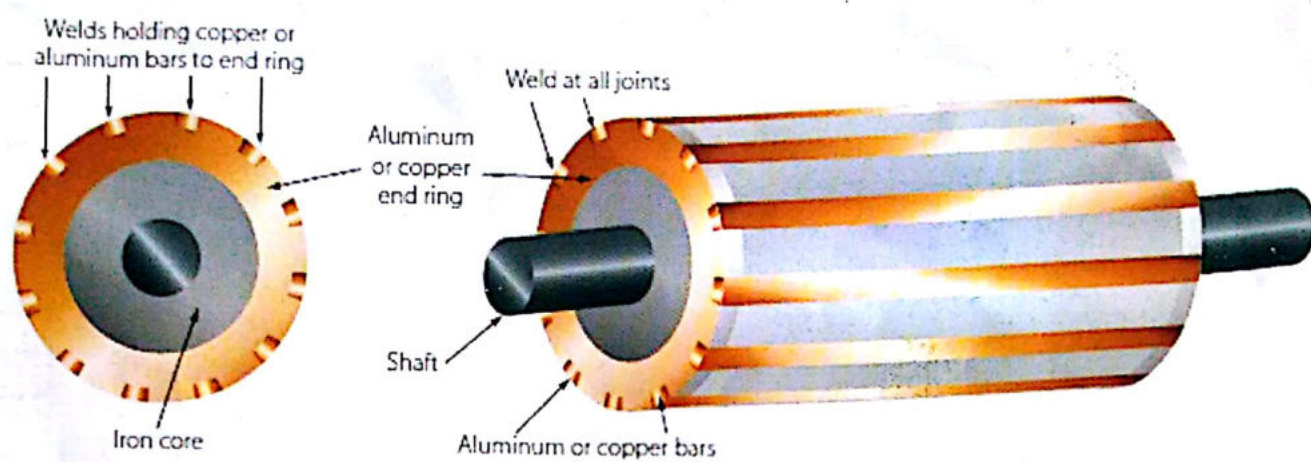

**Stator Winding Wire
Dielectric Insulation
(Polyimide, Polyester, etc.)**

**Nomex-Mylar Stator
Slot (Liner) Insulator**

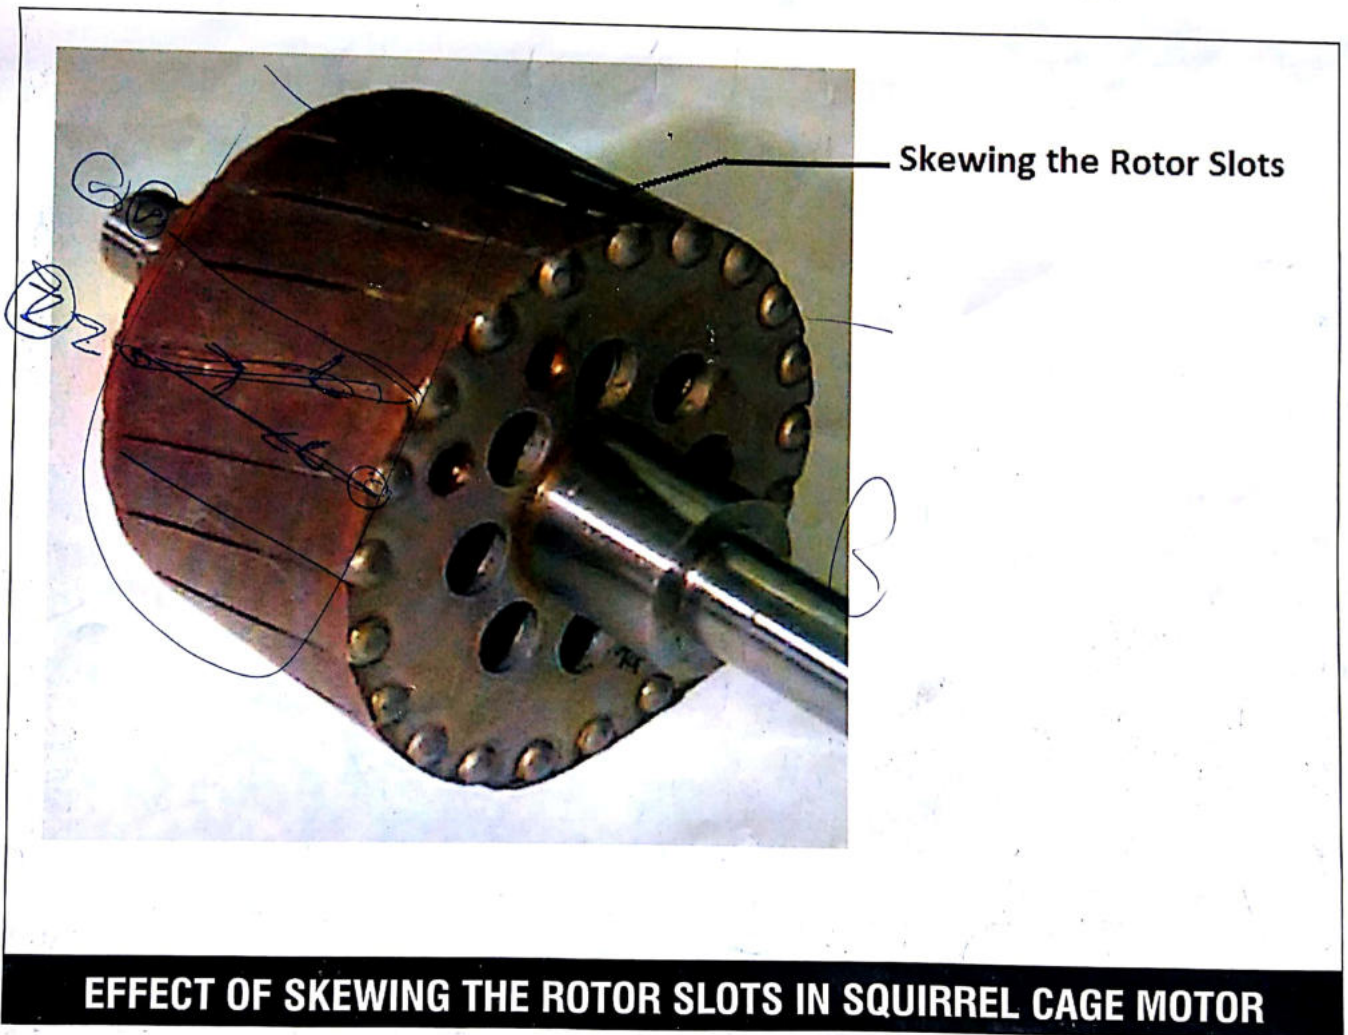

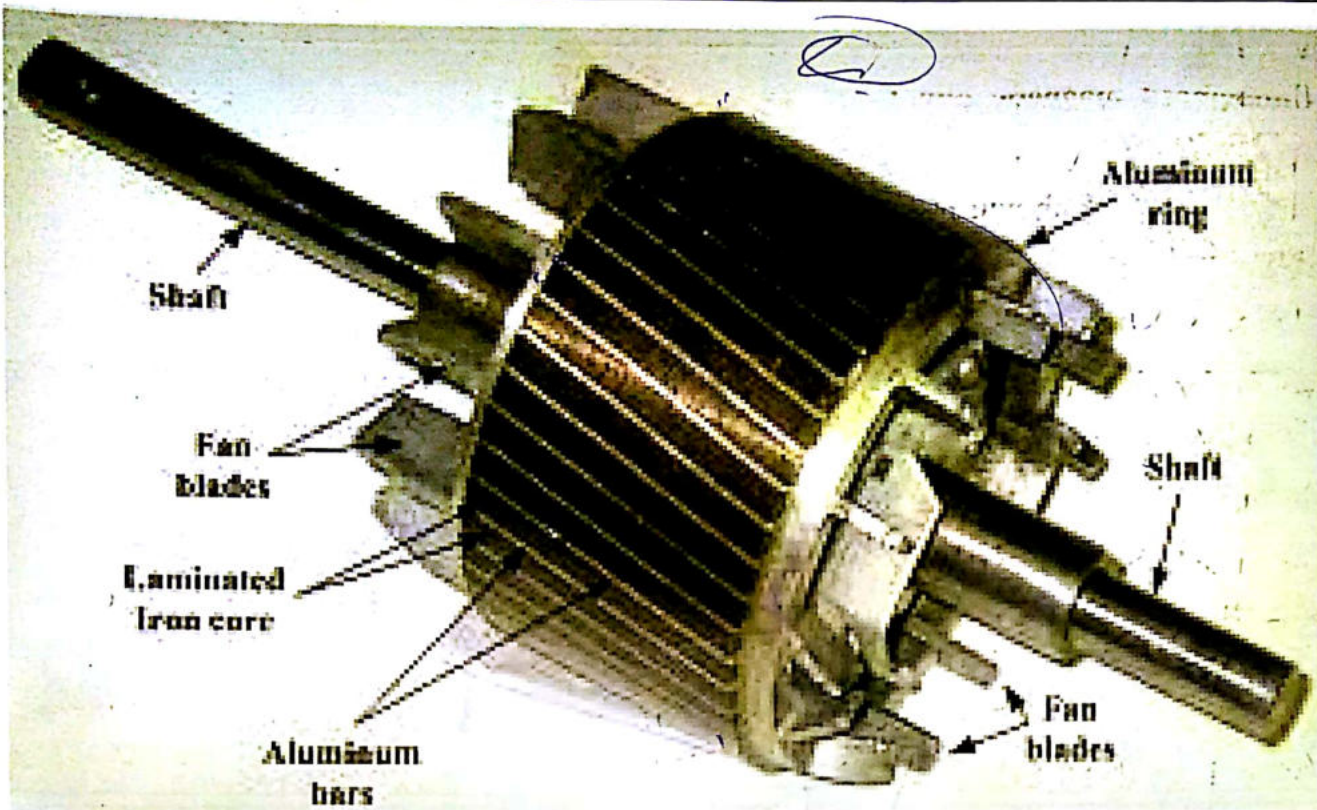

**Stator is tested
for Electrical
and Magnetic
Properties**

STATOR SLOT INSULATION

DESIGN OF END RINGS

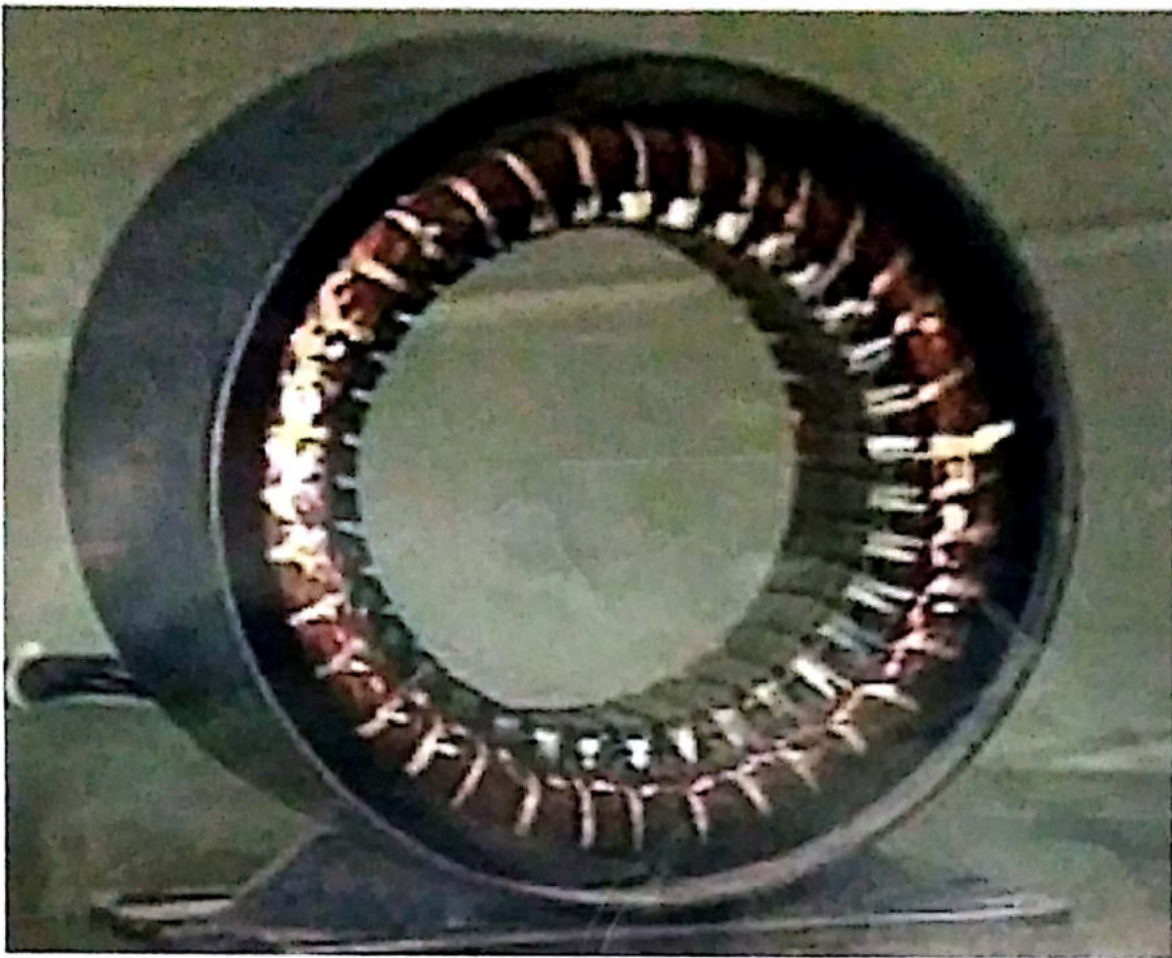

Squirrel cage Rotor

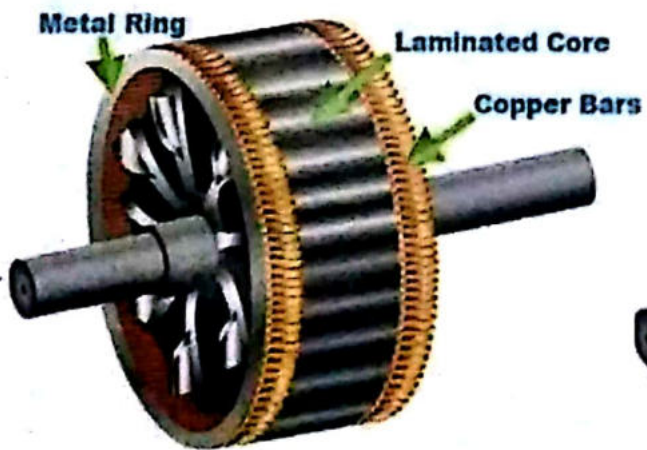

Wound type Rotor with slip ring

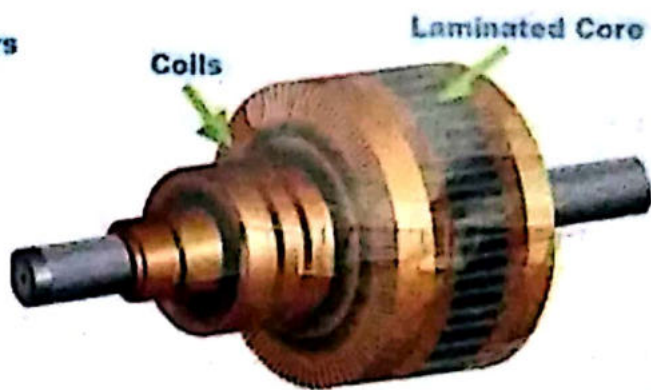

TYPES OF 3-PHASE INDUCTION MOTOR ROTORS

Stator

Squirrel cage Rotor

Wound Rotor
